Your complete guide to this issue's BONUS VIDEOS

This issue comes with 10 full-length bonus videos.

As always, these videos are totally free with absolutely no strings attached. You can stream them on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take ***18eighteen*** anywhere you go.

Here are the highlights of this issue's bonus scenes.

Lolly is a fresh babe who's eager to please. And with that giant, protruding clit of hers, she gets plenty of pleasure, too. Her pink drapes are glistening with pussy juice throughout her entire fuck session, and she never misses a beat—moaning, bouncing and rubbing her clit the whole time.

Natalie Heart is getting frisky by the pool. She takes her time undressing, building up the anticipation for her pussy and masturbation show.

Zoey Foxx and Megan Salinas have a bitchy MILF for a boss. The girls are being bratty, but this MILF ain't having it. She demands the girls undress and do all sorts of naughty things like finger her pussy, suck her tits and eat each other's pussies. What follows is a hot lezzie three-way with oral, nipple nibbling and vibrator fun!

Cute blonde Lola Belle shaves her pussy. She has lovely B-cup boobs and a round butt. It's fun to watch her bathe and get lathered up.

Maci More is nervous about her presentation for class. Luckily, her friend volunteers to film her and help her practice. When she keeps forgetting her lines, he suggests imagining the audience naked. He goes even further and gets naked so she doesn't have to imagine it. Maci joins him, and soon the two are fucking in all kinds of ways for the camera.

Brace-face Kyleigh Ann gets turned on during a bubble bath. She rubs the suds all over body and makes her way down to her pussy for a diddle.

If there's any way to describe Lacey Channing, it's definitely young and fresh. In this scene, she sits on top of a cock like a queen on her throne. You can tell that Lacey was born to rule over dicks. And the best way to pledge your allegiance to her? With a big load of cum!

Kiera Winters is a cutie. She teases while undressing, then delivers her pink pussy with a vibrator on it.

Bonnie Skye is limber and lewd. She used to do gymnastics, so she shows us her split and straddle, first clothed and then naked. The flexible poses remind her of fucking, and it's not long before she's fingerfucking herself to a cum.

Katie Ubina is a freak who loves to fuck. Whether it's her pussy or her asshole, she loves to get plowed by a hard cock. And in true slut fashion, she even takes it from ass to pussy. In this video, we see her switch back and forth between the front door and back door. Don't worry; she's clean!

Boinking Binky

Dear Virgin Territory,

Binky is a dirty little slut and I would fuck the shit out of her. Her puffy, chocolate nipples are beginning to be tweaked, and her pussy is tight and poundable. She looks like she likes it rough, and I would certainly deliver that to her. I'll be keeping an eye on her, as she seems like she has a promising career in porn. And just to be sure, I'm going to go check out her video now. Please bring Binky back for more hardcore. Preferably anal. Something tells me it's only a matter of time before she takes the backdoor plunge.–V.L., Bristol, Connecticut

Binky is a good-time girl.

Dear V.L.,

Let us know what you think of the video. And we'll definitely have her back if she decides to do anal.

Back with Back to School

Dear Virgin Territory,

With all that's been going on in the world with the pandemic, I wasn't sure if I'd see another *18eighteen* magazine again. So it was a huge relief for me to see Vol. 23 No. 4 arrive in the mail. And it was a Back to School issue, too! I was really needing to get my schoolgirl fix, and this issue did it for me. My favorite schoolgirl of the issue was Kylie. She has a deliciously devilish look in her eye. She's not innocent, but she's not completely turned out either.

You can see Kylie's playful naughtiness in her smile.

Thank you for including some beginning shots of her undressing from her uniform. I'm of the camp who likes to see girls in their outfits. I also enjoy seeing girls naked as well, and Kylie in her birthday suit was a sight for sore eyes. All pussies are beautiful, but I find Kylie's to be of the upper echelon of teen vaginas. Even as I write this, my lips crave to tug on her slightly meaty labia. I would go to town eating both her pussy and butthole.

I hope we get to see Kylie fucking soon. I have a sneaking suspicion that she's a little bit wild in bed.–P.W., Fresno, California

Dear P.W.,

Your suspicions are correct. In case you missed it, Kylie fucked in Vol. 23 No. 6, and the naughty girl got a creampie. You can order the issue on page 11.

Jessae in Every Position

Dear Virgin Territory,

Jessae from the Vol. 23 No. 5 issue is exactly the type of girl that should be in a schoolgirl uniform. She has not an ounce of tit meat on her chest and a nice, shaved pussy. I also appreciate that her uniform was the classic style, as the overly sexy costume schoolgirl uniform just looks like something a stripper would wear. And if I wanted to jack off to strippers, I would look at any other kind of porn. I come to *18eighteen* because your models look like the girls-next-door.

This is one of Jessae's favorite positions.

Anyway, back to Jessae. She looks very sweet and innocent, but the way she so easily undresses makes me reconsider. No girl who has a shred of modesty would spread her pussy the way Jessae does. Those meaty flaps of hers have surely hugged a few shafts, and I wish they would do that to my own. As I went through Jessae's layout, I imagined fucking her in every position she was photographed in: pulling her panties to the side, from behind, on her back, with her legs pulled up to her chest. I hope we'll get to see her in hardcore action soon.–R.W., Coppell, Texas

Dear R.W.,

You will get to see Jessae fuck very soon. Stay tuned!

Slutty Sherice

Dear Virgin Territory,

Sherice gives me slut vibes. I have something of talent for finding that quality in a girl, and my spidey sense is tingling whenever I look at Sherice. Or maybe it's just my balls...who knows? Either way, I'd have fun with that tiny slut. One of the best things about skinny girls is that you can pick them up and fuck them in a lot of fun positions. Sherice looks like she'd enjoy that. I know I would. You would think that small girls can't handle big dicks or a pounding, but I've seen my share of petite girls go for some hardcore riding with monster cocks. I think Sherice would have no problem with size or thrusting power. That little pink vibrator she has in her pussy is cute, but let's be real. Sherice needs a real cock. I would happily supply mine if given the chance. I would also put money down that Sherice doesn't flinch when receiving a facial. That, and she probably swallows every drop if you shoot in her mouth. Now I really need to see Sherice in hardcore.–F.V., via email

Does Sherice look slutty?

Dear F.V.,

Sadly, we don't have hardcore footage of Sherice. But we agree with all your sentiments.

Turning Scarlet for Scarlett

Dear Virgin Territory,

I enjoyed Scarlett's hardcore pictorial in the Vol. 23 No. 5 magazine. She looked pretty cute. I can't recall ever seeing her in a solo *18eighteen* layout. Has she ever been in the

Scarlett has found her calling in life: riding big cocks.

magazine before? I enjoyed seeing her suck and fuck, but I'd also like to see her on her own.

I got really turned on by the pics of Scarlett sucking cock. You can tell she's really trying to take it all down. Don't worry, baby. With a little more practice you'll be a true deep throat queen. I also got really turned on seeing her with that cock in her pussy in all those positions. She looked ravishing with her blond hair down, big cock parting her pussy lips and a sweet smile on her face in the centerfold picture. I can only imagine how turned on she was, seeing as how she left her girl cum on that guy's cock. It led to me leaving my cum all over my sheets.–M.N., Vancouver, Washington

layout in the Vol. 23 No. 5 issue! I've been waiting for it for ages, ever since her scene was in *Fuckin' Nerds 3*. She's fuckin' hot. I like her glasses too. During the whole layout she looked like she was really pleased to be taking that guy's cock, and that's what makes it a good layout. The girl's pleasure is my pleasure. Destined for Cum

Dear Virgin Territory,

Destiny from the Vol. 23 No. 5 issue is a certified hottie. What a body she has on her! She looks like she works out, or maybe she's just lucky. She has an interesting, unique look and I wonder if you know her background? I'm mesmerized by her green eyes and her tanned skin looks so soft and supple. She looks like a good girl, but that ass could still use a spanking. I would love to slip my cock in from behind and dick her deep and good in doggie-style. Please tell me, when will we be seeing this beauty in XXX?–B.C., Leominster, Massachusetts

ANA

Mommy and daddy would probably ground them for life if they saw their daughters here, but these back door brats are used to getting what they want. And aren't their parents always saying that they should experience new things? Some of them even experience anal creampies, while slutty Ana and Karla go ass to mouth to eat loads of hot cum.

Robin is a long-haired brunette in pigtails who starts off with a buttplug inserted in her backdoor pucker and ends with cum dripping out of her gaping asshole. Little Lolli is only 5’1” and 95 pounds, but she still takes a stud’s massive rod in her asshole. He gets in balls deep, which means Lolli is feeling him all the way to her belly.

Freya: Blonde Beauty

Get ready to fall in lust with this Russian hottie.

Freya is a new babe on the scene, and this sexy Ruski has a lot going for her. Yes, she's drop-dead gorgeous, but she's more than just looks. The girl's got talent, too. "I love to give blow jobs, and I think I'm very good at it. I can give different kinds depending on what the guy likes. Deep throat, face fucking, or passionate and slow."

How do you like to have sex?

"I always want to try something new and exciting, whether it's a new position or a new place to fuck. It's important to change things up so they don't get boring. I also watch myself fuck pretty frequently, whether it's in a mirror or on camera. I just love the way I look with a cock in my mouth and pussy."

What's the craziest sex you have ever had?

"One time I seduced two guy friends and had a three-way with them. We were all watching TV and I started rubbing both of their cocks. I unzipped their pants and they went with it. They took turns fucking my mouth and pussy, and then I got on my knees and told them to both cum on my face."

Going out in public just like everybody else, except…without any bloomers on. Could she? Did she even dare? She didn't think so. Only—how could she be sure? Besides, if her best friend thought it was that amazing, shouldn't she see for herself if it was possible to go from…

COMMANDO to Cumming

By Joe Monks

Mindy didn't believe what she was hearing. Gabby, though, couldn't stop.

"I'm serious, Min," she went on. "Dripping wet! I mean, cum-leaking-out-of-my-pussy-like-a-faucet wet."

Gabs spread her legs as if to offer proof, but she was wearing sweats now that they were up in her room trying to study for a biology test on Monday. So far? The only biology they'd discussed was Gabby's slit.

"I'm telling you, Min," she said, locking eyes with her bestie. "You have got to try it."

It was going commando, a practice Gabs had read about recently in a magazine or online somewhere and was now addicted to. The mere thought of it made Mindy shiver uncomfortably. Going out without undies on? In public? At first, she'd thought Gabs was joking. It had quickly become apparent that that was not the case.

Gabrielle was six months older. She had a little more going on when it came to hips and tits, although it wasn't like Mindy couldn't hold her own in a pair of hip huggers and belly shirt. She had a tight, little athlete's bod, and with a stockpile of gift cards from her recently-celebrated 18th birthday, she had been talking about hitting the mall to try on some new clothes. The idea of a shopping spree had prompted Gabby to confess to her recent panty-free prowling.

"If you lean on the escalator rail just right, you know, looking down into the galleria? You can cum even before you hit the second floor," Gabby shared.

"No way!" Mindy said dismissively, believing this to be an exaggeration of epic proportion.

"Yeah? You think so?"

"I've seen you masturbate, Gabs," Mindy reminded her. "You are not a quick creamer."

"True, but you're missing the point. You feel that massive rubber rail vibrating, looking at all those people who don't have a clue you've got nothing on, with your jeans rubbing your hot spot? Ka-ching, baby! Said-and-done."

Mindy wondered. Gabs might exaggerate, but she didn't lie. Not about stuff like this.

"That's crazy," Mindy told her, shaking her head.

"They're just bloomers," Gabs said, trying to convince her. "And girls like you? You like them really small. What's the big deal leaving them off once in a while?"

Mindy had no answer. She did like her panties small. Tight. Form-fitting. She'd discovered this getting ready for the senior dinner, snatching a pair of panties out of the far back of her drawer she hadn't worn since the previous summer. Standing in front of the mirror, she had to catch her breath. Topless, her B-cup titties poking up, nothing but those little bloomers on, she looked…different. It looked like her underwear had been spray painted on. She could see everything. Like someone had shined a spotlight on her swollen lips. The word cameltoe

bounced around in her head. She was running late, but it didn't mean she didn't have time to run down to the laundry room and snag a pair from the dryer. She hadn't done that, though. She'd chosen instead to arrive right on time. And soaking wet.

"I wish we could go rollerblading," Gabby sighed. "Right now."

She collapsed back onto the bed, tapping her heel on the nightstand.

"H-have you?" Mindy asked. She needed to know. She was rubbing her thighs together without even knowing it. "Gone rollerblading without, you know?

Gabby nodded. "Oh, hell yeah!" she exclaimed. "Suicide Hill. Should've brought paper towels."

Mindy's jaw dropped. Suicide Hill was a steep, sprawling two-lane road down by the train station that had been closed to traffic for as long as she could remember. It had been taken over by the indie kids: skate punks and goths and adventurous rollerbladers. The pavement was patchwork thin and bumpy. Way bumpy. She had rollerbladed The Hill once. Swore she'd never do it again. But now she knew why Gabs had gone back. If you took it slow, angling side to side, the way skiers did? Whoa! Given what Gabby had just told her? Now she had a better idea of why so many gals in halter tops and shorts were willing to risk road rash to tackle it. She turned. Gabby's smile was ear to ear.

"Ohmygod! That would be… intense," Mindy conceded, thighs tingling just thinking about it. On her trip down, her teeth had rattled. Her nerves were on fire just looking toward the bottom. The skateboarders had even cleared a path for them, clapping as they picked up speed.

It all came back, the memories making her jittery even now. It had seemed to last forever, that one downhill run. She had dug a notch into her right brake trying to stop. Whistles and cheers followed from the boys who'd been watching.

But then, she'd had no clue. It had never occurred to her how many of the girls blading The Hill might have had entirely different motives. Not just exercise or maybe catching the eye of one of the crew hanging around outside Slipped Disc, the only place in town for people to get vinyl and movies on DVD. They were teenagers with eyebrow piercings and tats and

wearing t-shirts with the names of bands she couldn't pronounce. The kinds of guys her mom would flip out if she ever brought home.

Guys she went to bed dreaming about with a finger up her.

"How many times did you cum?" Mindy prodded, desperate to hear all the gooey details.

"No clue," Gabby admitted. "I lost track. I was trying to concentrate on not hitting anybody, not falling, and…and…it just kept happening! Babe, when I finally got to the bottom, my butt cheeks were clenched so tight I could've snapped a carrot with my ass. I went through half a roll of toilet paper trying to sop it all up after I finished. I didn't even skate home. I got onto the train in my socks and rode back to our stop."

"And," Mindy gulped. "You went, with…nothing on. Totally nothing?"

"Let me repeat myself, hon. Cummando."

◆

The mall wasn't just busy, it was packed. Twice, Mindy thought about backing out. Simply turning around and going home, where she could download pics of hot guys and dirty videos and fingerfuck herself until she fell asleep. Except, she didn't think the pics and vids would do. Not tonight. Not with her birthday money in her pocket and her favorite skirt on. The one her mom thought was "getting a little short."

Mindy had others, sure. But this one she busted out on a regular basis for two reasons. One: it made her ass look fucking amazing. She might not have much junk in the trunk, but what she did have, this skirt put on full display. And two: It wasn't just getting a little short, it was now a borderline mini.

Thus, stepping onto the escalator at the south landing of the mall and resting her foot atop the metal base as she rose up over the galleria had her heart in her throat. The court was full. Right now, she could be flashing hundreds of people. Out of the corner of her eye, she saw some of her classmates at a table having ice cream. A bead of joy began tracing a path down her thigh. Just a thin trickle, but still. Growing nervous, she began to tremble.

"Ma'am?"

She jumped, bare legs slamming closed with a thwack! A mall security guard was looking at her. Oh god, she thought. Was she being arrested for indecent exposure?

"You're, uh, blocking the way," he said, gesturing. Mindy gasped. She hadn't even realized she'd gotten to the top. It had happened so fast.

"S-sorry," she mumbled, managing a smile and stalking off shakily toward the shops.

Gabby had been right. She hadn't quite climaxed, no, but…damn, she'd gone from Saltine dry to aquarium wet in less than three floors. She stopped by the railing for a moment to gather herself. Catch her breath. Down below, her friends were still eating sundaes. All but Russ. He was looking toward the escalator. Scanning the upper level.

Then he spotted her. And smiled.

Mindy hustled away, swallowing hard. She hadn't considered that one of her classmates might see her here, much less catch on to what she was doing. Damn, but she wished Gabby hadn't had to back out! Having her partner in crime by her side would have made this so much more doable. But now? No, this wasn't going to work. Every step she took, it felt like the skin was coming off the inside of her legs, they were rubbing together so hard. Whatever wetness had been there moments ago was gone now. Gone-gone.

Home, she thought. She could walk the upper floor, go across to the east landing, get outside, and circle back around to the car. Boom. She had a plan. It didn't stop her heart from hammering against her ribs, pumping blood into her super hard nips, but it helped.

Until she spotted the guy over by the shoe store, staring at her. He looked familiar. Hadn't she walked past him on her way to the escalator? Noticed him appreciating her skirt? Given her ass a little shake as she'd stepped onto the moving staircase?

She moved on, not wanting to look back but unable to stop herself. Had he followed her? Maybe…although she didn't see him now.

She dipped into a hipster outlet for clothes and backpacks and skins for your iPhone or tablet. She snaked her way into the corner where she'd scored this very skirt last year.

Relief washed over her. The section was abandoned, most of the other customers browsing elsewhere. She put a hand on the rack and let out a breath she'd been holding for she didn't know how long.

"Cool. I hope you're looking for another one like this."

The guy from the shoe store leaned in close, flicking the hem of a skirt similar to hers. Only…much shorter.

"Uh, hi," she said, stammering like a newb. She tried to get a grip. She'd been hit on before. Here at the mall, in fact. More than a few times. Just, usually with Gabs, whose cleavage in a push-up was like leaving out soup bones in a kennel.

"Chris," he said. Geez, he was practically on top of her! He was cute, though. Like…really cute.

"Mini, er, Mina. Mindy," she finally spat out, throwing up a half-hearted

Mina: Busty & Wild

Get ready for every inch of her body.

Mina looks coy in the photo above as she gives you a peek at one of her breasts. But don't be fooled. Mina is a bold teen who isn't afraid to bare it all. "I've always been a bit of an attention whore, so I guess you could say I'm an exhibitionist. I have no problem showing off."

Would you consider yourself assertive?

"I'm assertive when it comes to sex. If I'm horny, I will start kissing the guy and grab his cock. I will happily suck it till he's hard. But once we're having sex, I like to be a pillow princess. I want the guy to run the show and have his way with me."

Do you masturbate?

"Of course I do. I like to lay down, rub my thighs together and press down on my G-spot from the outside. I'll probably cum on repeat a dozen times or so. It's super quick, effective, and more importantly, quiet. You have no idea how many times I did that during summer camp. If only the girls sleeping next to me knew."

Dakota: Lil' Cock Lover

Dakota can always rely on her fingers.

Dakota knows how to make the best of a lousy situation–by masturbating! Her friend bailed on her to hang out with her new boyfriend, and since Dakota is currently single, she relies on her fingers to keep her entertained. “I wish I had a boyfriend. I don’t think I’m jealous of my friend; I’m just horny.”

Why do you want a boyfriend?

"It's not because I want someone to buy me flowers, but because I want steady dick! I've had a few fuck buddies, but they were so flaky and would only hit me up like once a month to fuck. I need it way, way more than that. I masturbate all the time, but nothing beats the real thing."

What do you think about when you masturbate?

"I'll lay in bed running my hands up and down my body and between my legs, thinking how nice it would be if it were a guy feeling me up and turning me on. Then I finger myself or use a dildo and imagine that it's a cock I'm about to cum on. If I had a boyfriend, we would definitely be fucking every day."

Harlow: A Fine Fuck

A hard cock gets her wet.

Harlow gets excited when she sees Milan pitching a tent under the blankets because she's a slut in training. Milan is already hard, so he might as well let Harlow finish the job.

Lick it before you stick it.

Harlow has a fine pussy and asshole, and Milan makes sure to explore both of them fully with his tongue. "I get super turned on when a guy goes down on me," Harlow said. "It's in his best interest to do so because I'll make him cum as hard as he made me cum."

Harlow is stretched to the max.

Her girl cum coats his shaft as he thrusts in and out. She likes it when he goes fast and deep. She likes it when he grabs her hips and bounces her up and down on his cock. And she loves it when he cums in her mouth. Watch the video at *18eighteen.com*.

Why did you fuck your dad's bud?

"I never really thought anything of him before, but in the last year I realized he was kind of cute. Then I started fantasizing about him when I masturbated. It was just a fun thing to think about, but I never thought I'd actually fuck him."

What was going through your mind as you fucked him?

"He's probably really experienced since he's older, and I wanted to show him that I'm good at sex stuff even if I am only 18. I was impressed by how long he lasted. The guys I'm with usually only last a few minutes, tops! I came twice with him, and he gave me my first facial." Watch the video for this scene at *18eighteen.com*.

smile. Chris turned his back on the minis and rested against the display.

"Minty," he said, grinning. "Like, down there?"

He hooked his index finger on the edge of her skirt and gave it a little tug, exposing an extra bit of thigh.

"No!" she squealed, catching herself and trying her hardest not to giggle. "Mindy, with a D."

"You're looking for the D?" he teased. "In here?"

He was playing with her, having a good time. Well, she thought. Two could play at that game.

"That's what I was just thinking," she shot back, noticing the expanding bulge in his pants. "I'm not entirely convinced about the selection."

"Well, I'm glad to hear you are looking," he replied, hiking her skirt up a little further. "I kinda had a feeling you were. Y'know, watching you go up the escalator. Nice view."

Mindy stalled. He had seen! How many others had?

"I'm at—" he began, informing her about being a student at the state university. She didn't hear most of it, though. She'd nearly collapsed when his index finger slipped between her lips. For a second, he did nothing, just left it there, right below her throbbing clit. She pressed into his shoulder, letting him support her weight.

"W-what are you doing?" she hissed, the heat of his skin telling her she wasn't the only one burning up in here.

"Figuring out what you like, I hope," he answered. "And seeing if you're as horny as I am."

Splooch! His middle finger arced up and entered her, his thumb pressing into her nub. A dry, unintelligible sound came out of her throat.

"No?" he teased. "More like this?"

He withdrew his finger almost completely, then buried it in her gash. Mindy grunted quietly, terrified of getting caught, but too far gone now to stop. She pressed her forehead into Chris's neck, gazing down at the hard-on hidden behind his zipper.

"F-faster," she whispered, grabbing onto his junk. "I need to cum. Now."

And with that, he was on a mission. She came in less than a minute. The first

I give the other girl lots of attention because I really like pussy. I've had guys get jealous that the girl and I were too into each other."

When did you know you were bisexual?

"Very early on I knew I liked girls a lot. I actually thought I might be gay until I hooked up with this one guy. I got really turned on by his cock, and the sex was so great that I realized I liked guys just as much as girls. And the rest is history."

What was it about that guy?

“He had the most perfect cock. It was big, but not stupid huge, and it was thick and veiny. It looked like the kind of cock you would make a dildo mold out of. Plus he was also very passionate in the way he kissed, licked my pussy and thrust into me. He cared about my pleasure, and that’s hot.”

time. The second took only a few more moments. She reached out, fumbled with a hanger. Stepped back and hoped she wouldn't collapse.

"I'm going to go try this on," she said in a low voice. "If you can find your way back there, I might need help."

She carried the skirt into the changing rooms, retreating to the furthest space. Once inside, she practically tore off her clothes, letting her shirt hang over the door, praying Chris could slip past the clerks. A minute passed. Then two. Her breathing levelled out some, but not her excitement. A giggle came from the neighboring booth. The knob to her booth turned.

Chris was inside in the blink of an eye, still fumbling with the lock while Mindy fumbled with his zipper. He groped her bare boobs, tweaking one nip, giving the other a squeeze.

She stroked his cock, hard as rebar with a slight curve to it. Spitting into her hand, she jacked him, pre-cum forming at his sizeable tip.

"What do you say?" he asked. "Right here? You wanna go?"

She didn't answer. Instead, she bent over, inhaled about six inches of cock and slurped it noisily, spittle leaking out of her mouth and down his shaft.

He hoisted her up, her legs wrapping around his hips, that big prick of his finding her honeyhole as her back met the wall.

"Put it in me!" she pleaded, gnawing on his ear. "Do me, Chris! Fuck my pussy!"

The paint was rough on her back, making Chris's pounding even more raw and dirty. Tangy juice dripped from her box. Having never been in a position anything like this, it took her a second to sort out the sensation she was feeling with each thrust. Pressure, on that taut ring of muscle to her back door. Then, it clicked. It was Chris' balls, squashed against her clenched asshole.

They kissed, sloppy and desperate. Chris tasted like chocolate. She wanted to suck his tongue the way she had his cock until he'd plunged it into her.

"Damn you're tight!" he complimented, gritting his teeth as he sought to shove his dick in even further. "You a gymnast or something?"

She giggled, raking his back with her nails.

"Un-unh," she answered, shaking her head. "But I'll ride you like a pommel horse."

"I can get us into the gym at school," he sighed, pulling back just enough to get a tit in his mouth. "You tell me when you're free."

Mindy came, his teeth brushing over her swollen bud. The climax roared through her, the back of her head banging into the changing room wall.

"Need any help, ma'am?" inquired a clerk. Chris held his breath, trying not to laugh—or be discovered.

"All good," Mindy squeaked. "Heels, you know."

The clerk disappeared, chuckling. Mindy's head was spinning.

Chris pulled out, his wet shaft slap-

SITTING ON HIS POLE, MINDY CONTROLLED THE PACE, BOUNCING UP AND DOWN...

ping against her slick thigh. He sat on the tiny bench, spun Mindy around, pulled her onto his lap, and entered her from behind.

Sitting on his pole, Mindy controlled the pace, bouncing up and down on his meat hammer like it was a ride at the park. Kissing the back of her neck, he reached around, cupping her tits.

"Yes!" she moaned softly, head lolling. "Play with my titties."

Chris went at it like a machine, all cock and tongue and hands. Pawing at her, driving his fuck stick into her soggy canal, coaxing another fierce orgasm out of her.

She reached down, grabbing hold of his balls and kneading them, eager to get him off. She had no idea how much longer she could last, or how long it would be before someone caught on to what was really going on in changing room six, but for now, all she wanted to do was take it deep and see how he wanted to finish. Maybe in her mouth. Maybe on her boobs. If he wanted, she'd let him grab the back of her head and jizz all over her face. Wouldn't taste like chocolate, but the idea of tasting his nut butter seemed even sweeter.

"How you doing?" he wheezed. Mindy could tell—he was on the verge of blowing his load. She did a quick calculation. Counted days in her head. Squeezed his sac.

"Blow," she told him. "Inside me."

She put her arms up over her head and grabbed hold of the hook, using it to help her milk Chris's dick with her fuck tunnel.

He erupted, his jism blistering her walls, a flood of cum gushing into her greasy cunt.

Spurts of ball butter drained from his nuts, until finally, he hit empty. A hasty swap of spit, another flick of a nipple and the exchange of phone numbers, and he peeked out the door, giving her a wink before disappearing.

Mindy got dressed on unsteady legs, searching the dressing room for something to clean up with. Anything. She couldn't bring herself to wreck the pretty skirt, but…the dressing room was empty. She had no tissues, no receipts, nothing.

Uh oh.

Pulling up her skirt, which now seemed like a micro-mini, she cautiously exited the tiny stall and made her way out into the mall proper. The nearest rest rooms were back by the entrance, where she'd parked. Could she? What choice did she have?

Still flush from the raucous sex, she tried to act normal, Chris's jizz dribbling out of her with every step. Wetness spreading between her legs, she got onto the escalator, wondering who might look up…and what they might see.

It felt like people were looking at her like Chris had given her a facial. By the time she reached the exit, she was practically running, warm semen slithering all the way to her kneecap. Tearing a handful of napkins out of the glove box, she nearly had a stroke when her cell phone rang.

"Well?" Gabs asked. "Did you? C'mon, tell me. Did you go through with it?"

Mindy struggled to catch her breath, hand full of cum-soaked napkins.

"Min? Min? What happened?!"

"I'll tell you when I get to your place," Mindy promised, sliding behind the wheel.

"You're coming here? Why?" Gabs asked.

"To clean up," Mindy teased, starting the engine. Then added, "Hey, feel like going rollerblading tomorrow?"

Natalie: The Right Stuffing

Only her pussy needs stuffing.

Natalie's boyfriend notices she looks a little different. Did she get a makeover? Change her hair? No…her normally small boobs have grown! Well, it's more like she got assistance from some tissues. After a quick examination he realizes she's stuffed her bra.

Natalie is among flattie-lovers here.

Natalie looks embarrassed. She's going to need some reassurance. So her guy pulls down her bra and suckles her pink buds. He spreads and rubs her meaty lips. Natalie is starting to feel better. She shows him what kind of blow job a flattie can give: deep, sloppy and full of spit.

A facial for flattie.

Natalie rides him, her tiny conical titties pointing straight up. Her eyes roll back the harder he pounds her. She creams all over his shaft. He creams on her face. Now she can put those tissues to good use. Watch the scene in *Glazed Teens 5*.
